Privatisation of Iron Ore Mines

*175. SHRI PARAG CHALIHA: Will the Minister of STEEL be pleased to state:'

(a) the stand of Government on privatisation of iron ore mines of Bailadila owned by NDMC in particular and others in general;

(b) whether Government are considering any proposal for the exploration, mining and industrial use of different ore deposits of North East in general and Assam in particular;

(c) if so, the details thereof; and

(d) if not the reasons therefor?

THE MINISTER OF STEEL AND MINISTER OF MINES (SHRI BIRENDRA PRASAD BAISHYA): (a) As per National Mineral Policy, 1993 iron ore mining was completely opened up for the private sector. Integrated steel plants of SAIL, IISCO and TISCO have captive iron ore mines. Emerging steel majors have also been seeking iron ore deposits for captive mining.

The Government accorded approval to the National Mineral Development Corporation Limited (NMDC) vide its letter dated 12/13.6.95 for development of Bailadila iron ore deposit 11-B in the joint venture. Based on the Government approval, N.M.D.C. had submitted its application for transfer of 11-B mining lease in favour of the joint venture company. The Government of Madhya Pradesh have recommended the proposal vide their letter dated 6.1.96 and have sought prior approval of the Central Government from the Ministry of Mines, as required under the provisions of the MMRD Act, 1957, for transfer of mining lease of Bailadila deposit 11-B in favour of the Joint Venture Company. The Ministry of Mines have approved the proposal on 21st March, 1996 subject to observance of the provisions of the MMRD Act, 1957 and Mineral Concession Rules, 1960 and also that "the State Government, the proposed joint venture company, i.e. Bailadila Mineral Development Company Limited and NMDC should arrive at a uniform and agreed set of conditions for the

transfer and incorporate them in an agreement or any other appropriate legal instrument they may be executed between the parties".

The Hon'ble High Court at Calcutta granted a stay order on the transfer of the lease of 11-B on 16.4.96 on a public interest petition filed by Shri Gurudas Dasgupta and Shri Jibon Roy, Members of Parliament. The writ petition had been dismissed by the Hon'ble High Court on grounds of jurisdiction on 10.5.1996. However, the operation of the order was stayed by the Hon'ble High Court for a period of three weeks upto 31.5.1996. On a petition by the Joint Venture Company against this order the Hon'ble Calcutta High Court ordered on 14.5.96 that the interim stay granted by the learned trial judge will remain suspended till the disposal of the appeal preferred by the Company and the appeal preferred by Shri Gurudas Dasgupta and Shri Jibon Roy against the order dismissing the original writ petition on jurisdiction grounds. These appeals are yet to come up before the regular bench.

The subject is very important and needs detailed examination on various aspects. However, since the matter is pending before the Court, the Government would like to await the judicial verdict.

(b) and (c) According to Ministry of Mines a proposal has recently been received by F.I.P.B. for mining of limestone in Assam and its export to Bangladesh. This proposal has been supported by the Ministry of Mines.

A list of cases for grant of prospecting licence/mining lease approved during 1995-96 by Ministry of Mines is given below:

	Mining Lease	Prospecting Licence
Assam	One case of Limestone. One transfer case of Limestone	
Meghalaya	—	One case of Limestone.

(d) In view of reply at (b) and (c) above, does not arise.
